

HERIWELL project – details on privacy policy

HERIWELL, 'Cultural Heritage as a Source of Societal Well-being in European Regions' (April 2020 – March 2022) is a project launched by the Espon EGTC and carried out by a partnership led by Istituto per la Ricerca Sociale (IRS) with Acume as a subcontractor, the European Association of Cultural Researchers (ERICarts Network and Institute) and the Associazione per l'Economia della Cultura (AEC). The aim is to provide evidence and data on the impact of cultural heritage on societal well-being. More information on the project is available [here](#).

The personal data we collect are used only for **communication and research purposes within the framework of the HERIWELL project** and won't be shared with any third party.

Data used for communication and dissemination purposes are stored and processed by IRS - Istituto per la Ricerca Sociale, based in Milan via XX Settembre 24 (Italy), through the on-line platform **Mailchimp**. For further details on IRS privacy policy, on your related rights please visit our [website](#). For further information on Mailchimp privacy policy and how the platform complies with GDPR please visit this [link](#).
